Meeting Notes from July 12, 2025 Grounded in the Cloud Business Meeting

14 Participants in the meeting.

First order of business was the Treasurer report presented by Barb O.

Starting Balance	681.66
Donations	2819.47
Expenses	1127.76
Cash on Hand	\$2373.37

We then approved the following:

Retention of \$600 for prudent reserve and petty cash

The donations of the remaining \$1773.37 to the following

40% Central Office

15% General Assembly

15% Area

15% Gold Can (Hard of hearing program for AA Members)

15% H&I Donation

Cheryl gave an overview on her CSR responsibilities

Teresa was nominated, approved, and accepted to replace our beloved Kirk W as our H&I representative

We discussed the continuation of the election procedures as in prior rotations

There was a recommendation that **All meetings utilize the standard beeping timer, and not use the music option in zoom. If a meeting wants to change from the standard Timer Beep, they need to do a group conscious of that individual meeting.**

It was also discussed and recommended that all readings in our literature based meetings make a conscious effort to limit the reading to a chapter or a topic and not span too much content. The 15-20 minutes of "reading time" is meant to serve as a guideline. It is more important that we limit the topics so that it can provide more time for discussion on more focused topics.

Meeting was adjourned in prayer
